

Scholarships at Mack's Music and More are reserved for eligible students of color, ages 10 and up, of who wish to dedicate 1 hour per week, for a period of 3 months, to the study of singing and vocal expression, including music theory and the pursuit of long term vocal health. Just a few questions before we get started:

Name:

Age (optional):

What is your previous experience with singing?

Do you play any other instruments?

Do you read music?

How do you envision yourself working with music in the future?

What days/times are you available for lessons?

Would you like to tell me anything else about you (optional)?
